

# SHERRI HILDEBRANDT

## BOOK INFORMATION

### **More than Enough**

*My Breast Cancer Story*

By Sherri Hildebrandt

The word “cancer” always sounds scary. When she was diagnosed with breast cancer in 2008, Sherri Hildebrandt realized quickly that life as she knew it would never be the same. And she was right... It's BETTER.

Join her as she guides you through her unrequested journey. You'll read about dramatic God orchestrated events that gave Sherri and her family the motivation and hope to not only survive the cancer ride, but to thrive and enjoy life in the midst of it.

This book is achingly honest about treatment complications and hard times, but in telling her story, Sherri's desire is that you are encouraged by the faithfulness of God and the peace He gives when your world is falling apart—and being pieced back together again.

ISBN-13: 978-1-77069-220-6

Format: 5.5" x 8.5" Trade Paper, 240 pp.
